MY PRIORITIES UNTIL END OF March 2021.

We listen to your concerns and look at recent crime statistics to shape the things we will concentrate on, based on this; my priority this quarter will be to try and combat the amount of mud left on the roads by farmers and land workers, I will be liaising with local farmers and reminding them of their responsibilities for cleaning and signage.

WHAT'S BEEN HAPPENING.

There have been several suspicious incidents reported to Lincs Police occurring in the villages, if you see something suspicious call us on 101.

There has been a rise in thefts of Catalytic Converters from vans and cars throughout South Holland, please keep your vehicle locked and where possible **reverse** it right up to a solid wall, fence or garage door, make it difficult for thieves to access the rear of your vehicle.

Hare coursing remains a problem in the rural areas. Should you see dogs actively chasing a hare please dial 999. If you suspect you have seen Hare coursers please dial 101.

We continue to receive calls reporting scams and fraud, many of these crimes can be dealt with by Action Fraud, www.actionfraud.co.uk.

If you require further advice re scams please contact me on the number shown above.

Finally. Please remember I am a part time officer working 09:00-17:00, 3 days a week, I may not always be available to take your call, so please **DO NOT** report any crime directly to my mobile phone or email.
